Test

CSC120 Introduction to Programming Methodology
Spring 2024

Name: _____

Bronco ID: _____

05/06/2024

- Make sure your exam is complete. There should be 2 pages including this cover sheet.
- This exam will be close-book and close to electronic devices, but you can use the prepared one-page note (double-sided).
- DO NOT copy someone else's solution, identical answers will be investigated.
- You have 1 hour 50 minutes to work on the final exam.
- Good luck!
